

## Checklist AC Combiner

customer:	
contact person:	
telephone:	
project / country:	
quantity:	
competition:	
requested delivery date:	

### Specifications:

rated voltage (Un):	230/ 400 V AC 277/ 480 V AC	
net configuration:	TNC TNC-S TNS	IT TT

### inverter producer/ type:

power of inverter:	kVA
--------------------	-----

### protection of inverter: .....5

inverters per combiner:	pcs
-------------------------	-----

input wire (from inverter)	wire:	cross section:	type:
	Cu Al		

### protection of other devices (AC-Combiners). .....5

input wire (AC-Combiner)	wire:	cross section:	type:
	Cu Al		

### protection:

surge protection:	type 1	no
	type 2	
	type 1, 2, 3	

### enclosure:

IP class:	IP54 IP65 IP44
-----------	----------------------

installation:	installation on base installation on frame/ wall
---------------	---
